The Program for the evening/a talk by Mr. Sam Vinzi, Representative of the National Radio Company who told us about some new National Radio products to be introduced in the future. Mr. Vinzi had some very useful comments and suggestions about amateur radio equipment in general.

The Group heard reports concerning the Novice and General Courses. Because ~~XX~~ there was only one student present at the beginning of the Novice course, it was agreed to wait until after New Years to start this course. Spots will be placed on local Radio Stations in addition to newspaper notices. Hank's General course includes 4 members and will continue. The Club treasury has a current balance of \$75.97.

After the formal meeting, refreshments were served,

respectfully submitted,

Walt Lenk
